DCFS Pre-Licensing Training Checklist

The Illinois Department of Child and Family Services (DCFS) requires the completion of the following training before an application can be submitted for a Family Child Care license. This checklist will help you track your progress.

DCFS requires membership in Gateways to Opportunity. Gateways registry allows you to access and track your trainings. Create account at <https://registry.ilgateways.com/>

Questions about training? Contact Dawn Wiles, Recruitment & Retention Coordinator at (309) 686-3750, extension 2140
